E-Mail Address	

Narratives (record the # attached)	WORKING CERTIFICATE	FIELD GAME CERTIFICATE	FIELD SPORTING CERT.
# of Witnessed Work/Hunt Narratives	___ (1 required)	___ (4 required)	n/a
# of Hunt Info and Season Summaries	n/a	n/a	___ (1 Required)

Check (payable to BTCA) enclosed for the application fee in the amount of:	\$
<ul style="list-style-type: none"> • \$5 (not refundable) for hardcopy only applications. • \$5 (full refund if denied) for signature (hardcopy or scanned) and electronic copy. 	

Mail hardcopy of this application with signatures to:
George C. Moore, BTCA Working Titles Secretary, 5305 Yorktown Blvd., Arlington, VA 22207-1528 (703)_534-5933
Or E-mail a scanned version of it (with signatures) to:
BorderTerrierWC@aol.com

Graphics are best at about 150 pixels per inch. You are encouraged to send uncompressed 4x6 inch (or smaller) images of your photos with the RTF version of the application. The images may be color or grayscale (B&W). The images may be cropped or compressed by the secretary in order to send them to the committee for review. If so, the secretary will send (to you) a copy of the version sent to the committee, at your request. If you send scanned images of photos, hardcopy is not required.

Questions -- Feel from to call, mail, or e-mail questions about completing the application to the Secretary.

Forms are available at the BTCA website or will be mailed to you, on request, by the secretary (along with notes on how to use them.)

(Complete one narrative for each quarry-animal hunted or worked. Number them consecutively, 1, 2, 3, etc. Submit all with cover sheet.) (Fall 2000 Version)	Border Terrier Club of America Working/Hunting Certificate Program	Narrative Number
	Work/Hunt Narrative for Working and Field Game Certificates	

Application ID

(This information must match that on the application coversheet)

Certificate attempted	WORKING CERTIFICATE __ (1 narrative required)	FIELD GAME CERTIFICATE __ (4 narratives required)	
Full Name of Dog			
Date of Application			
Name of Handler			

Hunt ID (Type into each box)

Date of work	
Location of work	
Quarry Species	

Work/Hunt Description (this space will expand as you type into it)

The undersigned handler and witnesses certify that a) they were present at the work/hunt event(s) described, b) that they were in a position to see and hear the work, c) that the portion of this work/hunt narrative each witness observed is accurate and complete, and d) that the dog performed the work observed without disqualifying assistance from people or other dogs. We understand that the purpose of the BTCA working/hunting certificate program is to identify dogs that demonstrate instinctive working-terrier abilities and behavior (in traditional or non-traditional settings) in order to protect and preserve such qualities, and we support this objective.

Application ID

(This information must match that on the application coversheet)

Certificate attempted	FIELD SPORTING CERTIFICATE _X_ (1 required)
Full Name of Dog	
Date of Application	
Name of Handler	

Hunt Information (Type into each box before obtaining witness signatures; for example, at the start of the season)

Quarry Species	
Date season starts	(enter 1-Jan if there is no limited season)
Date season ends	(enter 31-Dec if there is no limited season)
Area hunted during season.	
Type of work/hunt planned	(i.e., flushing, retrieving, etc.)
Objectives of dog's hunting activity	(How will the dog help locate and take the game?)

Season Summary (Type/write into each box, typically at the end of the season.)

How regularly was the dog used?	
Other Information	

The undersigned handler and witnesses certify that a) they were present at a work/hunt event on the date(s) specified, b) that they were in a position to see and hear the work, and c) that dog performed the kind of work described in "Hunt Information" off-lead d) without disqualifying assistance from people or other dogs. We understand that the purpose of the BTCA working/hunting certificate program is to identify dogs that demonstrate instinctive working-terrier abilities and behavior (in traditional or non-traditional settings) in order to protect and preserve such qualities, and we support this objective. The handler also certifies that the season summary is accurate and complete, and that the dogs work on other hunts was comparable to the witnessed performance.

Witness Information (Write into each box as the witness signs.)

	Date of hunt witnessed (must total 6 witnessed hunts)	Name with E-Mail Address or Phone	Signature	Date Signed
			The six events may be witnessed by any number of people. The same person, or different ones may witness for each date.	
Witness 1
