

# Junior Showmanship Competition

**JUDGE: Mr. Roger D. Gifford**

First I would like to thank the Border Terrier Club for inviting me to judge Juniors at this year's National. Hospitality was friendly and helpful. My ring steward was excellent. Also I greatly appreciated the very nice briefcase judge's gift. All of the juniors demonstrated a good understanding of ring procedure and presentation. They were competitive and yet displayed good sportsmanship. The Best Junior and her dog made a very pleasing and smooth working team. Her presentation was very good keeping her well trained dog animated and under control. She followed directions precisely. She should have a bright future in the sport. Thanks again for the opportunity to be a part of your National and good luck to all of the juniors.
