

Border Terrier Club of America Policies and Procedures Manual

The Kate Seemann Fund for Health and Research in Border Terriers

This is a donor-advised fund to which the BTCA membership may make contributions. Donations made by the membership are tax deductible. The fund is held at the Canine Health Foundation <http://www.akcchf.org/>

The parameters of a donor-advised fund outlined by the AKC are:

- Contributions may be restricted to health research that will advance the health of a particular breed.
- Contributions may be restricted to health research that will study a specific disease or group of diseases.
- The advice of the donor may be sought by the Foundation regarding research to be supported with the restricted contribution.
- Multiple contributions may be accepted to the fund from clubs and individuals.
- Interest may be earned on the sum total of contributions to donor advised funds.
- Donations to the Foundation are tax deductible.

The BTCA donated \$15,000 to this fund, which is held at the Canine Health Foundation, in 2002. All future donations should be made directly to the fund, not to the BTCA.

The BTCA Treasurer will report to the membership on the status of this fund at the end of each fiscal year.
