

# Looking Back Memories of Past Events

*Volume 4 2020 is a Special Themed Edition Of The Borderline!*

COVID 19 has had a huge impact on our lives. Prior to this pandemic, playing/showing with our dogs was a beloved activity and provided a welcome relief from every day stressors. Unfortunately, those activities have been severely restricted: Our Specialty has been cancelled, Montgomery has been cancelled, and our guess is the National Championships will be cancelled. Even on the rare occasion when performance events have occurred this year, attendance has been limited whilst there is an underlying anxiety about remaining safe and healthy.

It's been tough year for everyone.

In an attempt to alleviate the loss of all our fun with our dogs, and share with one another our lives with our BTs, The Editorial Committee has decided to put together this Special Edition.

## Special One Photo - One Line

**EVERY  
INDIVIDUAL or HOUSEHOLD**

**ONE PHOTOGRAPH**  
*of a memory/event of their choosing that  
has special meaning to them. With that

**ONE SENTENCE**  
*It can be the name of the Dog, the event,  
whatever you want but we are limiting copy
